[Verse]

**Em** **G** **D** **C**  
Is he still coming around like an injured bird needing a nest?  
**Em** **G** **D** **C**  
A place to rest his head in a song you ll regret  
**Em** **G** **D**  
Still you take him Lord knows I don t want to compete  
**C** **Em** **G** **D** **C**  
But I still sleep in the very sheets he s been in  
**Em** **G** **D** **C**  
Swallow him whole like a pill that makes you choke and stills your soul  
**Em** **G** **D** **C**  
You have the nerve to look me in the eyes and lie  
**Em** **G** **D** **C**  
Send him back I ll share the trap that you have me in
