Dm7 G6

Dm7 **G6** **Dm7**
When you fell, you fell so hard,
 G6 **Dm7**
Reaching for me in the falling snow.
 G6 **Dm7**
I would ve stayed, you said I should go.
 G6 **Dm7**
How will you make it home? oh.

Dm7 **G6** **Dm7**
Leaving your way, I heard you got lost,
 G6 **Dm7**
Losing your voice to the ground below
 G6 **Dm7**
And i stayed awake until you were home,
 G6 **Dm7**
It was days and days and oh.

[Outro]

Dm7 **C/G**
Come down from your mountain;
G6 **F/C**
You ve been gone too long.
Dm7 **C/G**
If you will then you should say so,
G6 **F/C**
Don t leave me hanging on.

Dm7 **C/G**
Out from my open window,
G6 **F/C**
We could hear you breathing.
Dm7 **C/G**
Hold on but it does not hold on
G6 **F/C**
Every mountain falls.

Dm7 **C/G** **G6** **F/C**
Somebody said you would be gone. (2x)
