

Amie
Damien Rice

I am 99.9% sure this is right. I have played along with the song and the chords sound good. Good luck on figuring out the strumming pattern. It's so random to describe so listen to the song and you should be able to figure it out.

It sucks playing this song by yourself at the end because you can't be playing a violin the same time... hell, I can't play the violin at all! So I tabbed out the violin part you. Just repeat this...

```
e|-----3-----5-----7--8-5---3-----|
B|(5)-5-3-----5-3-----5-3-----1-----|
G|-----5-----5-----5-----|
D|-----|
A|-----|
E|-----|
```

There ya go.. have fun!
