INTRO:

**C - Em - F** x3  
**Dm - Em - F - G**

VERSE 1:

**C**            **Em**                    **F**  
She lives with an orange tree  
The girl that does yoga  
**C**                            **Em**                            **F**  
She picks the dead ones from the ground  
When we come over  
**C**                    **Em**  
And she gives; I get  
                                 **F**  
Without giving anything to me

CHORUS 1:

**Dm**  
Like a morning sun  
**Em**  
Like a morning  
**F**  
Like a morning sun  
**G**                                    **C**    **C/B**    **Am**    **G**    **F**  
Good good morning sun  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
The girl that does yoga  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
When we come over  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
The girl that does yoga

VERSE 2:

**C**            **Em**                    **F**  
He lives in a little house  
On the side of a little hill

**C**                    **Em**                    **F**  
Picks the litter from the ground  
Litter little brother spills

**C**            **Em**  
He gives; I get  
          **F**  
Without giving anything to me

CHORUS 2:

**Dm**  
And the dogs they run  
**Em**  
And the dogs they  
**F**  
And the dogs they run  
**G**                                    **C**    **C/B**    **Am**    **G**    **F**  
In the good good morning sun  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
Side of a little hill  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
Litter little brother spills  
(**F**)                                    **C**    **C/B**    **Am**    **G**    **F**  
Side of a little hill

BRIDGE:

**Dm**                    **Em**                    **F**  
Oh and she s always dressed in white  
She s like an angel, man  
She burns my eyes  
**Dm**                    **Em**  
Oh and she turns  
          **F**  
She pulls a smile  
We drive her round  
And she drives us wild  
**Dm**                    **Em**                    **F**  
Oh and she moves like a little girl  
I become a child, man  
She moves my world  
**Dm**                    **Em**  
And she gets splashed in rain  
          **F**  
And turns away  
          **G**  
and leaves me standing

**C - F - G** x3  
**Dm - Em - F - G**
