Intro: [Play Riff 1 four times.]

Verse 1:

How I know, go bow end send mend bend pretend, shut your face again
Am **G** **F**
Bleed seed believe read breath on my knees, how I choose to
Am **G** **F**
Lie cry learn grow so low fall stall, how I build my wall
Am **G** **F**
Hate wait bait now and kiss or taste the place and make weather in my face

Chorus:

The only one you know
Am **G** **F**
I wanna live, don t wanna die, wanna grow old with you
Am **G** **F**
I wanna be the only one you know
Am **G** **F**
cause I adore you you you you you you, yeah.

[Play Riff 1 once.]

Verse 2:

How I choose bruise loose win sin bin tease please, better have her on her knees
Am **G** **F**
Preach you pray you play you rock you feel you kneel you dream, how I choose to
scream
Am **G** **F**
Shout wake sleep I need to touch her deep, change, rearrange
Am **G** **F**
Fate wait weight now kiss or taste the place and make weather in my face

Chorus:

The only one you know
Am **G** **F**
I wanna live, don t wanna die, wanna grow old with you
Am **G** **F**
I wanna be the only one you know
Am **G** **F**
cause I adore you you you you you you, I do yeah.
