

**Groovin Intro**  
**Damien Rice**

Tabbed by myself from the live performance at The Lobby  
in Cork, Ireland in 2002.

Ok, normal tuning and no capo. This song s basically all  
based around the C chord.

```
E |-----0x-|
B |----1---1---1---1-|---1---0-----0x-|
G |----0---0---0---0-|---0h2-2/4---0x-|
D |-----2---|2h3-----| x 2
A |0h3---2---0-----|-----|
E |-----|-----|
```

```
|-----|-----|
|----1---1---1---1-|--1---1---1---1-|
|----0---0---0---0-|--0---0---0---0-|
|-----|3---2---1---0---|
|0h3---2---0-----|-----|
|-----|-----|
```

```
|-----|-----|
|--1---1---1---1-|---x-----|
|--0---0---0---0-|---x---0-----|
|-----2---|3-----|
|3---2---0-----|-----|
|-----|-----|
```

Repeat similar to above where it fits! You ll get the feel  
for it quick enough.

Until..

\*...that you are the one that s got me feeling this way\*

Fill, (C, Fx4, G):

```

|-11113-----|
```

Then carry on with the first bit(s).
