

Professor La Fille Danse
Damien Rice

The Professor (Live at Cornucopia Caf  , Dublin)

Capo 3

Hello everyone. This is also largely not my tab, but copy pasted and then changed

to show the entire song from beginning to end, and from what I ve seen Damien himself play live. Note that the french part of the song isn t tabbed as Damien plays it but the chord combination still works. Also note that the G7 chord isn t a G7 chord but a slightly altered one because I couldn t find the right name for it.
