(capo 2nd fret)

Verse/intro

**F#m7**                    **Bsus**  
Wake up, the day has begun

**F#m7**                    **Bsus**  
Wake up, up comes the morning sun

**F#m7**                    **G#m**                    **F#m7**  
I said get up come on shake a leg!

**F#m7**                    **G#m**                    **F#m7**  
Your fed up and you need to get paid

**F#m7**                                            **Bsus**  
Your broke, your lifes a joke

**F#m7**                                            **Bsus**  
Your on this road alone        (alone)

**F#m7**                                            **Bsus**  
Call her - you say you aint got no phone

**F#m7**                                            **Bsus**  
Find her - you dont know were shes gone

Chorus:        (repeat x2)

**D**    **A**                    **F#m**    **F#m7**    **D**

You want her now!

**D A F#m F#m7 D**

Scream it out loud!

**D A E Em7**

Pray for her now . . .

**N.D Gadd9**

. . . .and just come back home x2

**Gadd9**

Cause im all alone, and just come back home

(Repeat intro and Chorus)
