

What The Night Is For
Damien Rice

Verse - **Am** , **G** , **F**

Chorus - **Am** , **G** , **F** , **C**

Am **G** **F**
Shes got a place within the woods
Am **G** **F**
Where she swings near the house in the trees
Am **G** **F**
And shes got a way with animals
Am **G** **F**
And invites me along to get free

Am **G** **F**
There s an army of men whod shoot for her
Am **G** **F**
Even goddesses watch when she moves
Am **G** **F**
Her friends get us high
Am **G** **F**
And something opens up the sky
Am **G** **F**
And fills us with nothing to lose

Am **G** **F** **C**
Oh and weve never been in this place before
Am **G** **F**
No, not as it is right now
Am **G** **F** **C**
And we may never know what this night is for
Am **G** **F**
So for now we ll just sit around

{Same as Verse 1}
And hes got a way of lingering
Like a ghost that just won t go away
And hes got a place within the wind
Hes around but I know he won t stay

{Same as Verse 2}
There s an army of stars that crash the night
They would burn him but still it was cold
So we dared the gods to come and sit and talk with us
We were bruised, we were spilled, we were bold

{Same as Chorus 1}

Oh and weve never been in this place before
No, not as it is right now, right now
And we may never know what this night is for
So for now we ll just sit around
Yeah, for now we ll just sit around

Oh cause weve never been in this place before
No, not as it is right now, right now
And we may never know what this life and love and living is for
So for now we ll just sit around

Am **G** **F**
Yeah, for now we ll just sit around
