Where You Going Now?
Damn Yankees

-- the intro and first verse picked/not strummed, and the chords are something
like this:

Am x02210
[tab] **G** 320033
D* 2x0230 <- not sure of chord name; D something[/tab]
F 133211

V1:
[tab] **Am** **G**
There s a face in the mirror, and you close your eyes[/tab]
[tab] **D*** **F**
Much easier to turn away, than to take a look inside[/tab]
[tab] **Am** **G**
So you re thinking it s over, walking away[/tab]
[tab] **D*** **F**
Let your little world crash and burn, ooh what a price to pay[/tab]
[tab] **C** **Am**
Didn t anybody tell you it s not who s right or wrong[/tab]
[tab] **Em** **G**
Hold the line, is this what s going on?[/tab]

Chorus:
[tab] **C** **C/B** **Am** **Em**
Where you going now?[/tab]
[tab] **F** **C**
When your world s turned inside out[/tab]
[tab] **F** **C** **G**
Isn t love what it s all about?[/tab]
[tab] **C** **C/B** **Am** **Em**
Where you going now?[/tab]
[tab] **F** **C**
When you get to the top of the hill[/tab]
[tab] **F** **C**

Gonna be there yes I will[/tab]

V2:

There s a crack in the mirror, there s a hole in the sun
Full moon in the midnight sky, and you feel like you wanna run
So you blow out the candle and you turn out the light
Then you stumble into darkness - who d believe that love is blind?
Didn t anybody tell you it s never too late to try?
Hold the line, before you say goodbye

(Chorus)

bridge:

[tab] **G#** **Bb** **C**
Now I m not talking about what s good for me[/tab]
[tab] **G#** **C** **Bb** **C**
And I m not saying how you ought to be[/tab]
[tab] **G#** **Bb** **Eb** **Eb/D** **Cm**
But if there is a message shining on through to you[/tab]
[tab] **F** **G**
Take a little peace of mind and let that love-light shine[/tab]

(solo - over chorus chords)

(modulate to new key)

[tab] **D** **Bm**
Didn t anybody tell you it s not too late to try?[/tab]
[tab] **F#m** **A**
Hold the line, before you say goodbye[/tab]

[tab] **D** **D/C#** **Bm** **F#m**
Where you going now?[/tab]
[tab] **G** **D**
When your world s turned inside out[/tab]
[tab] **G** **D**
Isn t love what it s all about?[/tab]
[tab] **D** **D/C#** **Bm** **F#m**
Where you going now?[/tab]
[tab] **G** **D**
When you get to the top of the hill[/tab]
[tab] **G** **D**
Gonna be there yes I will[/tab]

Enjoy!
