

Everyday Robots

Damon Albarn

(G Dm C Em Am Am7 F G)

G

We are everyday robots on our phones,

Dm

In the process of getting home.

C Em Am Am7

Looking like standing stones,

F G

Out there on our own.

G

We re everyday robots in control,

Dm

In the process of being sold.

C Em Am Am7

Driving in adjacent cars,

F G

Til we press restart.

(They didn t know where it was going on, but they knew what it was, wasn t it?)

G Dm C Em Am Am7 F G

G

Everyday robots just touch thumbs.

Dm

Swimmin in lingo, they become,

C Em Am Am7

Stricken in a state of sleep.

F G

One more vacant seat.

G

For everyday robots getting old,

Dm

When our lips are cold.

C Em Am Am7

Looking like standing stones,

F G

Out there on our own.
