Verse 1:

```

F   Am           A#           F
Out on the heath our pleasures seem so small
F           Am           A#   F
Those stones were thrown by an angry god
F           Am           A#           F
And how can the light still shine on the heights above the rise
F           Am           A#           A#
Those stones will stand like a frozen smile
```

Chorus 1:
