**F9 F Am A# F**

Verse 1:

**F Am A# F**  
Out on the heath our pleasures seem so small  
**F Am A# F**  
Those stones were thrown by an angry god  
**F Am A# F**  
And how can the light still shine on the heights above the rise  
**F Am A# A#**  
Those stones will stand like a frozen smile

Chorus 1:

**A# F**  
Cause I m in love with something I can t hold  
**Gm A# C**  
That didn t notice why I ve gone

Interlude: **F---Am---A#---F---** (x2)

Verse 2:

**F Am A# F**  
No rise and fall can ever be for long

These heights will rise faster than they fall  
And no one can ever know what they see from there

**F**                    **Am**            **A#**            **A#**

Or what they feel before the end

Chorus 2:

**A#**                                    **F**

Cause I m in love with something I can t hold

**Gm**            **A#**            **C**

That didn t notice why I ve gone

**A#**                                    **F**

With all I ve known I still can t help it

**Gm**            **A#**            **C**

I long to see you again

Interlude 2: **F**---**Am**---**A#**---**F**--- (x2)

::Repeat Chorus 2::

Outro:

**A#**                                    **F**

With all I ve known I still can t help it

**Gm**            **A#**            **F**---- **A#**---- **F**----

I long to see you again
