**F#9 F# Bbm B F#**

Verse 1:

**F# Bbm B F#**  
Out on the heath our pleasures seem so small  
**F# Bbm B F#**  
Those stones were thrown by an angry god  
**F# Bbm B F#**  
And how can the light still shine on the heights above the rise  
**F# Bbm B B**  
Those stones will stand like a frozen smile

Chorus 1:

**B F#**  
Cause I m in love with something I can t hold  
**G#m B C#**  
That didn t notice why I ve gone

Interlude: **F#---Bbm---B---F#---** (x2)

Verse 2:

**F# Bbm B F#**  
No rise and fall can ever be for long

These heights will rise faster than they fall  
And no one can ever know what they see from there

**F#**                    **Bbm**            **B**                    **B**

Or what they feel before the end

Chorus 2:

**B**                                    **F#**

Cause I m in love with something I can t hold

**G#m**            **B**                    **C#**

That didn t notice why I ve gone

**B**                                    **F#**

With all I ve known I still can t help it

**G#m**            **B**                    **C#**

I long to see you again

Interlude 2: **F#---Bbm---B---F#---** (x2)

::Repeat Chorus 2::

Outro:

**B**                                    **F#**

With all I ve known I still can t help it

**G#m**            **B**                    **F#----** **B----** **F#----**

I long to see you again
