      Eb9  Eb           Gm           G#           Eb

```

Verse 1:

```

Eb   Gm           G#           Eb
Out on the heath our pleasures seem so small
Eb           Gm           G#   Eb
Those stones were thrown by an angry god
Eb           Gm           G#           Eb
And how can the light still shine on the heights above the rise
Eb           Gm           G#           G#
Those stones will stand like a frozen smile

```

Chorus 1:

```

           G#           Eb
Cause I m in love with something I can t hold
           Fm   G#           Bb
That didn t notice why I ve gone

```

Interlude: **Eb---Gm---G#---Eb---** (x2)

Verse 2:

```

Eb   Gm           G#           Eb
No rise and fall can ever be for long

```

These heights will rise faster than they fall
And no one can ever know what they see from there

Eb **Gm** **G#** **G#**

Or what they feel before the end

Chorus 2:

G# **Eb**

Cause I m in love with something I can t hold

Fm **G#** **Bb**

That didn t notice why I ve gone

G# **Eb**

With all I ve known I still can t help it

Fm **G#** **Bb**

I long to see you again

Interlude 2: **Eb**---**Gm**---**G#**---**Eb**--- (x2)

::Repeat Chorus 2::

Outro:

G# **Eb**

With all I ve known I still can t help it

Fm **G#** **Eb**---- **G#**---- **Eb**----

I long to see you again
