Verse 2:

C **Am** **Em** **G**
My alarm clock's working at 5pm,
C **Am** **Em** **G**
and it's towing in my headache like a train
Dm **G**
But I can't pull the switch so I just stay on track

And I roll in to the night time with a drink
C **Am** **Em** **G**
Some conversation that won't ever go away
Dm **G**
No I can't go away

Chorus:

F **C** **G**
I'm like a faucet that leaks leaving rust stains in your sink...
F **G**
I'm Like a wine glass sitting on a wedding dress
C **C/B** **Am** **Dm**
I am ready and willing to make a mess... And it's hurricane season
G
as if I ever need a reason
C **Em** **G**
So how do you live with that?
C **Em** **G**
how do you live with that?
C **C/B** **Am**
how do you live with that?
G
with that?

C **Am** **Em** **G**
Television flashes at 4a.m.
C **Am** **Em** **G**
And it's beating on my eyelids like the Mob
