

**The Radiator**

**Dan Andriano in the Emergency Room**

[Intro]

**D G D G**

[Verse 1]

**D G**  
Oh if I go to you we re both getting no where  
**D G G Dadd4/F# Em**  
If I pick up the phone well you can commit me  
**Em**  
I haven t learned a goddamn thing since  
**G**  
Since we turned 20 but I  
**C G D**  
I think it s time we learn to say we are sorry

[Verse 2]

**D G**  
All the red parts of my blood are off on vacation  
**D G G Dadd4/F# Em**  
And the nerve in my tongue died just before the 15th  
**Em G**  
And I m reacquainted with this pit in my stomach  
**C G D**  
This empty drum replaces my heart beat

[Chorus]

**A G**  
So let the heat from the radiator kiss me  
**D**  
Let it burn me in my sleep  
**A G**  
And let me cry like a pair of ripped up kneecaps  
**D**  
And then meet me across the street  
**Em**  
May the tears never taste less sweet  
**Em Esus2/F# G**  
Cause I am still alive  
**D**  
Cause I am still just me

[Interlude]

**D G D G**

[Verse 3]

**D** **G**  
And maybe we boarded the bus with the wrong foot  
**D** **G** **G Dadd4/F#** **Em**  
Two people headed for different destinations  
**Em**  
If you would ask the driver  
**G**  
If he could please pull over  
**C** **G** **D**  
I ll trust my shoes and sense of direction

[Chorus 2]

**A** **G**  
Oh and let the sky explode rain onto my head now  
**D**  
Let it roll into my eyes  
**A** **G**  
Oh and let me blindly stumble down the highway  
**D**  
Let me just barely survive  
**Em**  
May the moon evade this sight  
**Em Esus2/F#** **G**  
Cause I am still just me  
**D**  
Cause I am still alive

[Interlude]
