Dan Black

This is my acoustic adaption of the song,(The remix version with kid cudi) so the
lyrics are a bit altered to help make it easier to strum and play :)

VERSE 2: (Dan Black)
  ( Same chord progression as first verse, but keep normal strumming )

I lie down in the dust just under your eye
A scrap of paper, thin as vapour
Filling my clothes like smoke
A couple of the wires in my heart are broke
I throw, I miss, something, nothing but
Dreams, schemes, moments wasted
Taste that tasted
Fate I m fated
Re-edited again then copy, pasted as...

( Same )
The lights of a car go by in a stream
Seems like I stand pretty much unseen
But I open my eyes and beams come out

  ( PLAY CHORUS AGAIN )

You know?
