

Compliment Your Soul

Dan Croll

Capo: 3rd Fret

I went back, I went back to your love

And I felt so many wrongs

That I wasted on you by the crowd

And I called, you called me

And I whispered your name

I went home, we stared blank

To the pages I loved

Well, I just wanna compliment your soul

I just wanna compliment your soul

Yeah, I just wanna compliment

And I wasted tears, I let go

So many rights, so many nights

That I come and I go

I just wanna know, do you,

And I can't ever be shut out

You're meant to be the wrong gal

Tell it twice

Cause I just wanna compliment your soul

Yeah, I just wanna compliment your soul
I compliment your...

F C G x2

Yeah, I just wanna compliment your soul
