[Intro]

(pm)E (pm)C#m (pm)G#m
(pm)E (pm)C#m (pm)G#m F#
E C#m G#m F# (x2)

E C#m G#m F#
Every now and then I fall
E C#m G#m
Every now and then I lose control
E C#m G#m

In your eyes I see your thoughts surrounding me
E C#m G#m (pm)G#m F#
And I ve a little bit of thought for you

E C#m G#m F#
Cause every now and then I fall a bit behind
E C#m G#m F#
Every time I stare into your eyes (x2)

(pm)**E (pm)C#m**
Your thrills I find
(PM)**G#m**
It s not hard to be left behind
(pm)**E (pm)C#m**
So I ll run, you ll hide
G#m
We know better than to stay outside

E C#m
You re cold and your awake
G#m
You said I should have never of stayed
E C#m G#m (pm)G#m F#
But there s no better place for me

E C#m G#m F#
Cause every now and then I fall a bit behind
E C#m G#m F#
Every time I stare into your eyes (x2)

The Chorus progression continues as he whistles and through the Outro/Chorus
