This song is pretty easy. This is my 2nd tab interpretation or w/e haha.
I couldn't understand the words at what I consider the post-chorus so if you
can understand that part, help me out :).

Standard tuning: EADGBE

Capo 6th fret

Am7 x02010
G 320003 or 320033
F 133211
Em 022000
D xx0232

Intro (repeat many times):

| ----0--- | -0---0-0 | ----0--- | -0---0-0 |
| -2-2--2- | ----- | -2-2--2- | ----- |
| 0----- | ----- | ----- | ----- |
| ----- | ----- | 1----- | ----- |

^ Play low 1 with thumb

Slowly seeping through my veins
Do you remember?
All the late night games we played
I'm falling under
A spell you put me on today
The show is over
The crowd is walking out but I've been gone for hours

Pre-chorus:

F
I don't want to be here now
G
I think I'm going to leave this town

F

I just want to walk away

G

from everything.

Chorus:

Am7

I don t want to be here now

G

I think I m going to leave this town

F

I just want to walk away

G

from everything.

Am7

I don t want to be here now

G

I think I m going to leave this town

F

I just want to walk away

G

from everything.

Intro Melody:

Slowly creeping up behind

my heartbeat s racing

waiting for the place in time

for this life to make me

into something more than this

I m losing patience

was there something there I missed?

Pre-chorus:

F

I don t want to be here now

G

I think I m going to leave this town

F

I just want to walk away

G

from everything.

Chorus:

Am7

I don t want to be here now

G

I think I m going to leave this town

F

I just want to walk away

G

from everything.

Am7

I don t want to be here now

G

I think I m going to leave this town

F

I just want to walk away

G

from everything.

Post-chorus:

D

Was it what you wanted?

Em F

Like just another face in the crowd

D

And it s finally over

Em F

this miserable life in this town

Intro Melody:

I don t want to be here now

I think I m going to leave this town

I just want to walk away

G

from everything.

Chorus:

Am7

I don t want to be here now
