VERSE 1

Am D
I hear the thunder

G C
Three miles away

Am D
The island s leaking

G Am
Into the bay

D
The poison is spreading

G C
The demon is free

Am D
And people are running from

G Am
What they can t even see.

CHORUS

Am D
Face the fire

G C
You can t turn away

Am D
The risk grows greater

G C
With each passing day

Am D

The waiting s over

G C

The moment has come

Am D

To kill the fire

G Am

And turn to the sun.

VERSE 2

Am D

They ll take your money

G C

And then take your health

Am D

To line their pockets with

G Am

Unequaled wealth

D

These men are under

G C

The power of gold

Am D

We won t be safe until we

G Am

Shut them down cold.

CHORUS

VERSE 3

Am D G C

The people came to the capitol town

Am D

One hundred thousand of them

G Am

Laid their hearts down

D

They screamed in anger

G **C**
And broadcast their fears

Am **D**
Just to have them

G **Am**
Fall on deaf ears.
