Chords repeat

Looking for a lady I m looking for a lady To share my empty bed Looking for a lady I m looking for a lady To soothe my aching head.

Well, I have a few in mind But none in particular I have had them before But nothing that was for sure.

And my feelings have grown rigid like a wooden post. And my love is like a curtain that has been drawn closed And my life just isn t going The way I thought it was supposed to And I m crying and I find myself.

Looking for a lady I m looking for a lady To change my night to day.
