

Morning Sky

Dan Fogelberg

Morning Sky

G C G

You and I were lovers long ago,

C G Am D

We had a good thing going on and never doubt it.

G C G

Lately I've seen trouble moving in

C G

I know that I will soon be gone

C G Am D

And you don't even want to talk about it.

CHORUS

Em Eb9 C

Oh, and it makes me stop and wonder why.

Em Eb9 C

People give their hearts away and then they say goodbye.

G C

If there's something on your mind

G C

You better say it while there's time.

G D G

Cause I'm leaving when I see that morning sky.

Oh, how did we ever come to this,
There's nothing for me in your kisses anymore.
Late night in the kitchen I pretend that I still care
And you just sit there staring at the door.

CHORUS
