D

A

One day we ll all understand.

I had a woman who gave me her soul,
But I wasn t ready to take it.
Her heart was so fragile and heavy to hold
And I was afraid I might break it.

Your conscience awake and you see your mistakes,
You wish someone would buy your confessions.
The days miss their mark and the night gets so dark.
And some kind of message gets through to you,
Somehow a message shoots through.

CHORUS

There is no Eden or heavenly gate
That your gonna make it to one day.
All of the answers you seek can be found
In the dreams you dream on the way.
