Capo III

[C]Stood out in the [Fm]rain, [D]let it soak me down
Before I [F]called you, I called [C]you.
[C]Didn't see me [Fm]there, [D]hidden by the rain
Beneath your [F]window, but I saw [C]you.

[E7]Putting on your face before the [F]mirror on the wall

[E7]Dreaming that the looking glass was [F]me---ee
[D]Catching your [F]fondest gazes, [D]living through your [A7]fickle phases
[F]I [C]love [Em7]you...

And it's getting [Am]easier each [Fm]day to weep a[F]bout you
[Am]Harder every [Fm]night to sleep without [F]you----ou
[D]How many [F]years must I be [D]driven by this [A7]dream of love with
[F]You---[C]ou-----[Em7]ou

[C]Spend my dimes on [Fm]phones, [D]trying just to talk
But you don't [F]answer, you let it [C]ring
[C]Spend my nights a[Fm]lone, [D]catching falling stars
To give to [F]you love, they're just for [C]you.

[E7]For stars fall every time a lover [F]has to face the truth
And [E7]far too many stars have fell on [F]me__[F]ee
[D]And as they [F]trail the skies, and [D]burn their paths a[F]cross my eyes
I [F]cry--[C]y-- [Em7]y

And it's getting [Am]easier each [Fm]day to weep a[F]bout you
[Am]Harder every [Fm]night to sleep without [F]you----ou
[D]How many [F]years must I be [D]driven by this [A7]dream of love with
[F]You---[C]ou-----[Em7]ou
