I love you so much baby
E
That it tears me up inside

I hear you on the telephone
But God knows who
Spilling out your heart for free
Everyone needs someone they can talk to
Girl that someone should be me

So many times I ve tried to tell you

You just turn away
My life is changing so fast now
Leaves me lonely and afraid

Can t we try just a little bit harder
Can t we give just a little bit more
Can t we try to understand
That it s love we re fighting for
Can t we try just a little more passion
Can t we try just a little less pride
