

**Sometimes When We Touch**

**Dan Hill**

Standard Tuning Open or Capo 3

Slightly different to other version here as i believe the Dm should be an F

By Marc

Sometimes when we touch

Verse 1:

**C** **F** **G** **C**  
You ask me if I love you And I choke on my reply  
**Em** **Am** **D** **G**  
I d rather hurt you honestly Than mislead you with a lie  
**F** **G** **C** **C7** **Am**  
And who I am to judge you On what you say or do?  
**F** **C** **F** **G**  
I m only just beginning to see the real you

Chorus:

**C** **F** **G** **Em**  
And sometimes when we touch The honesty s too much  
**Am** **D** **G** run down (F " Em "Dm)  
And I have to close my eyes and hide  
**C** **F** **G** **Em**  
I wanna hold you til I die Til we both break down and cry  
**F** **G** **C**  
I wanna hold you till the fear in me subsides

Verse 2:

**C** **F** **G** **C**  
Romance and all its strategy Leaves me battling with my pride  
**Em** **Am** **D** **G**  
But through the insecurity Some tenderness survives  
**F** **G** **C** **C7** **Am**  
I m just another writer Still trapped within my truth  
**F** **C** **F** **G**  
A hesitant prize fighter Still trapped within my youth

Chorus

Brigde:

**G** **C**  
At times I d like to break you And drive you to your knees  
**Am** **Em** **F** **G**  
At times I d like to break through And hold you endlessly  
**C** **F** **G** **C**  
At times I understand you And I know how hard you ve tried

**Em** **Am** **D** **G**  
I ve watched while love commands you And I ve watched love pass you by  
**F** **G** **C** **C7** **Am**  
At times I think we re drifters Still searching for a friend  
**F** **C** **F** **G**  
A brother or a sister But then the passion flares again

Chorus:
