Tuning: EADGBE

Verse

**E**                  **B**                  **A**  
The voices of cool may shout me down  
                                  **D**                                  **G**                                  **A**  
But here is come gold from ye olde brain town...

(on and on same chords throughout)

Chorus - same (**E B A, D G A**)

Bridge - (not sure)

Its not appropriate to share our bed...

**G A, D C** - ?**Em** ? **F** - **G A, D C**... finish on **D C**

Barre chords all the way (during the verse i just play 2-3 bass notes EAD(G) strings) can do open chords occasionally just to mix it up
