Intro: **C, Em, C, D/F#, C, Em, D/F#**

Verse 1

Em **C**
She might be wearing a green chemise
Em **C**
And a hat that she bought cause it matches her jeans
D/F# **C**
And the water she drinks well it comes from a stream
Em **D/F#**
By the house she might win in that hospital lottery
Em **C**
And I might be stumbling and cursing them all
Em **C** **D/F#**
When she picks me up from the place that we both call disaster relief
C **Em**
For the rent must be paid by the first of the month
D/F#
Or in my case, 15th

(Chorus)

C
This is good as far as I can tell
Em **C**
It s still heavy as hell when it s good
Em
And I do like the road
C
But I d be better at home
Em
I will pine for the oak streets
C **D/F#**
And pine for the cedars and you

(Bridge)

Em
Been around I suppose
C
I have chatted and chewed
Em **C**
I have lugged my guitar to the nice cafe blues
Em **C** **D/F#**

And when I come home I am coming home to this street and these avenues
