Who would believe

C G Am Bb

That a halogen lamp could conceive?

C G

That s what she said

Am F

And it stuck in my head

C G Am Bb

It was her explanation of teen pregnancy

C G
Don t you know what happens to

C G
All the girls who

C G
Stay up all night

C G
Under the streetlights?

C G
The light seeps through the walls

C G C G C B G
Plants a seed and babies fall

Who would believe

C G Am Bb

That a halogen lamp could conceive?

C G

That s what she said

Am F

And it stuck in my head

C G Am Bb

It was her explanation of teen pregnancy

C G
So when I see those city streets

C G
All lit up like a christmas tree

C G C G
Her wisdom comes to me

C G
And I thank God

C F G
That I can go out at night

C Am F G
Because I don't have ovaries
