Intro

E C#m A B

E **C#m**
I inject pure kryptonite into my brain
A **B**
it improves my kung-fu and it eases the pain during
E **C#m**
acceleration when the pedal hits the floor,
A **B**
this thing burns nitroglycerin and powdered C4
E C#m A B **E C#m A B**
and I will always love you

Everything is the same till the last line:

A B C#m A E B E
I can't help falling in love with you
