**G** **A9** **Bm**I can honestly understand why it s over**G**

**G** **Bm**But I don t know how not to  
think about you **A9**When it s late at night and quiet **G**  
**Bm** **A9**And I know that I ought to be the one who is strong  
and just moves on  
**G** **Bm**But I probably turn down your  
road, knock knock on your door **A9**Fall back in your arms, wake  
up in the morning **G** **Bm**  
**A9** **Bm**Hating myself for the way that I can t help the way I still want  
you **G** **Bm** **A9**I just don t know how not  
to, how not to, how not to**G** **A9** **Bm**  
You re like second nature baby, you re just like breathin **G** **A9**

**A9** **Bm**The time goes by and I still need you **G** **A9**  
**D**Yeah, you were at the heartbreak of no regret **G**  
**Bm**But I don t know how not to think about you **A9**When it s  
late at night and quiet **G** **Bm** **A9**And I  
know that I ought to be the one who is strong and just moves on  
**G**  
**Bm**But I probably turn down your road, knock knock on your door  
**A9**Fall back in your arms, wake up in the morning **G**  
**Bm** **A9** **Bm**Hating myself for the way  
that I can t help the way I still want you **G** **Bm**  
**A9**I just don t know how not to, how not to, how not to  
**G** **Bm**I don t know how not to think about you **A9**When it s late  
at night and quiet **G** **Bm** **A9**But I know that  
I ought to be the one who s strong and just moves on
