

Lately

Dan + Shay

[Intro]

Am* F Am G Em7

F **Am**
Lately, it's been hard to breath
G
Just trying to keep my head above water
Em7
Sometimes life's in the way,
all work and no play
F **Am**
And lately, it's been hard to see
the way you used to be
G **Em7**
And I wonder, if the words I don't say
can make it okay

F
But I've been thinking bout us
Am
And I know that the going is rough
G
And it feels like a little too much
Em7
Maybe I don't say it enough
F
So listen

Am
Girl you know you're beautiful
G
I used to tell you all the time
but when you let your hair down it
Em7 **F**
Still drives me crazy
Am
Something like a miracle
G
That I get to call you mine
Em7
So baby have I told you that I love you
F Am G Em7

La-a-a-tely

F **Am**
Baby we can stay at home

or ditch the phone

G
Don t have to go nowhere

Em7
And get lost in your eyes

let the time fly by

F **Am**
Baby, it don t matter what tomorrow brings

G
You know I ll be right there

Em7
Today and to the night, the rest of my life

F
But I ve been thinking bout us
