

**Speechless**

**Dan + Shay**

**C** **Em**  
You say you ll be down in 5  
**F**  
The smell of your perfume is floating down the stairs  
**Dm**  
You re fixing up your hair like you do  
**C** **Em**  
I know that I ll be a mess  
**F**  
The second that I see you  
You won t be surprised  
**Dm**  
It happens every time  
It s nothing new

[Pontel]

**Am** **G**  
It s always on a night like tonight  
**F**  
I think that you can read my mind **Fm**  
Cause when you look at me with those eyes

[Refrão]

**C**  
I m speechless  
**Em**  
Staring at you, standing there in that dress  
**F**  
What it s doing to me, ain t a secret  
**Fm**  
Cause watching you is all that I can do  
**C**  
And I m speechless  
**Em**  
You already know that you re my weakness  
**F**  
After all this time I m just as nervous  
**Fm**  
Every time you walk into the room  
**C** **Bb** **F**  
I m speechless

**C**  
It started when you said hello

Em

Just did something to me

F

And I've been in a daze

Fm

Ever since the day that we meet

C

You take the breath out of my lungs

I can't even fight it

Em

And all of the words out of my mouth without even trying

[Refrão]

F C

And I'm speechless

Em

Staring at you, standing there in that dress

F

What it's doing to me, ain't a secret

Fm

Cause watching you is all that I can do

C

And I'm speechless

Em

You already know that you're my weakness

F

After all this time I'm just as nervous

Fm

Every time you walk into the room

C Em F

I'm speechless

[Ponte]

Am

G

It's always on a night like tonight

F

I think that you can read my mind

Fm

Cause when you look at me with those eyes

[Refrão]

C

I'm speechless

Em

Staring at you, standing there in that dress

F

What it's doing to me, ain't a secret

Fm

Cause watching you is all that I can do

C

And I m speechless

Em

You already know that you re my weakness

F

After all this time I m just as nervous

Fm

Every time you walk into the room

C Bb F

I m speechless

C Bb F

Oh, you know it, baby
