Cadd9
With an old shoebox

Photographs on a counte stop
Em
The handprint on the sidewalk square
Stuck right there to keep her from moving on
There s a teardrop falling downtown
Silhouette pressed on the first floor wind ow
Cadd9
She screams I need you right now
Lays her head down on his cold hard pillow
She don t want to let go but she let s go
Of a hand-me-down shined up ring
Cadd9

There s a white t-shirt
Cadd9
Underneath the bed
             Cadd9
Still smells the same as the day he left
The heart carved in the tree out back
The two names on the welcome mat
Cadd9
