**Dan Tyminski**

Song: Please Dear Mommy  
Artist: Dan Tyminski  
Album: Carry Me Across the Mountain

[D] God sent a little girl, an [G] angel to me  
Words can't explain the [D] love I felt when I [G] held her close to [A] me  
as [D] she grew up and grew apart her [G] mother and I  
she over heard our [D] angry words [G] then begin to [A] cry

Please dear [D] mommy, don't hate my [G] daddy  
I love him more than [D] anything [G] please don't let him [A] go

Please dear [D] daddy, don't leave my [G] mommy  
you promised me you [D] never would  
[G] promise you that [D] I'd be good if [G] you don't go [A] away

[G] Mommy, you should [A] make my daddy [D] stay [D]

We taught her how to say her prayers, [G] sit up straight and tall  
And if you can't say [D] something good, say [G] nothing at [A] all  
One [D] night behind our bedroom door [G] much to her surprise  
The words she heard her [D] daddy say made [G] teardrops in her [A] eyes

please dear [D] daddy, don't hate my [G] mommy  
I love her more than [D] anything so [G] please don't let her [A] go  
please dear [D] mommy, don't leave my [G] daddy  
you promised me you [D] never would  
I [G] promise you that [D] I'll be good if [G] you don't go [A] away

[G] Daddy you should [A] make my mommy [D] stay [D]

It takes my breath to tell the rest, [G] how she left our home  
to be part of god's [D] family our [G] little baby's [A] gone  
[D] looking back I know she was an [G] angel in disguise  
the last words that she [D] ever said, made [G] teardrops in our [A] eyes.

Please dear [D] mommy, take care of [G] daddy  
He loves you more than [D] anything, so [G] please don't let him [A] go  
Please dear [D] daddy, stay here with [G] mommy  
I did not mean to [D] make you cry  
I [G] crossed my heart and [D] hoped to die now [G] I must go [A] away  
[G] let's meet up in [A] heaven some sweet [D] day
