[Intro]

Bm **F#m** G Gsus x4

[Verse]

Bm **F#m** G Gsus

She s only a kid

Bm \mathbf{F} # \mathbf{m} G Gsus

and he s not much more

Bm **F#m** G Gsus

She puts her finger to her lips

Bm **F#m** G Gsus as he closes the door

Bm F#m G Gsus
says we gotta be quick boy
Bm F#m G Gsus
before my daddy gets home

Bm F#m G Gsus
he s not big on introductions

Bm **F#m** G Gsus

and we re not supposed to be alone Bm $\mathbf{F}^{\sharp}\mathbf{m}$ G Gsus

we re not supposed to be alone

[Chorus]

D G Bm A

Cause you know she s thunder and he s lightning

D G Bm A

two forces colliding

D G Bm A

She says I don t know if this is the right thing

C G

because even the wrong thing feels right with you

Bm **F#m** G Gsus x2

```
[Verse]
          F#m
Bm
                     G
                                 Gsus
She cheats at Battleship and lies through pouty lips but
      G Gsus
he just lets it slide
        F#m G
Bm
                                  Gsus
because he knows that there isn t room for fighting when you re
Bm \mathbf{F} + \mathbf{m} G Gsus
always on the same side
      F#m
                   G
She s got one hand on her hip, boy
      F#m
                  G Gsus
yeah you ve seen that move before
                G
Bm F#m
                                      Gsus
She wants to know just who she is and where she stands
         Bm F#m G Gsus
but he says if you have to ask you ll never know
          F#m G Gsus
if you have to ask you ll never know
[Chorus]
                 D
                                G
Cause you know she s thunder and he s lightning
       G Bm A
two forces colliding
                                         Bm A
                    G
She says I don t know if this is the right thing
because even the wrong thing feels right with you
[Solo]
Bm F#m G Gsus x4
[Bridge]
Bm Am
Four years down the road
Bm Am G*
they re walking down the isle
Bm Am G*
white dress red rose
Bm Am G*
and her daddy finally smiles
Bm Am
           G
[Chorus]
                 D
Cause you know she s thunder and he s lightning
      G Bm A
two forces colliding
       D
                     G
She says now I know that this is the right thing
```

C G
because even the wrong thing
C G
even the wrong thing

even the wrong thing feels right with you
