

## Fairytale

Dana

<http://www.dana-music.com/>

Capo on the 4th fret on standard tuning.

Intro goes like:

**Dsus4 D** then **Dsus2 D**

### Verse 1

**D**

Imagine what a fool you could have made of me

**G**

Just think of what you are doing to my pride.

**Em**

**A**

You run around and love a lot and never know  
The good you have got.

**G**

Away you go and away you ve been

**A**

but don t you know you are living in a . . .

### Chorus

**D**

Fairytale.. I do believe that you believe

**Bm**

Your fairytale

**G**

Imagining it s happening they do come true

**A**

But you only alone believe that too.

### Verse 2

**D**

You re walking on a tight rope but you d better know

**G**

There is no one there to catch you if you fall.

**Em**

But I understand what s in your mind

**A**

And now you re waiting right behind

**G**

I should have known it from the start

**A**

I d only be another part of your . . .

repeat chorus
