F#m
A trick that people use to make you think that they re smart
F#m
Is confidence when actually they re lost in the dark
          Bm
Only someone with the mind of a child says he ll grow up
            Bm
Cause headin down the avalanche your life will show up
      F#m
It s nice to be loved, it can never happen too late
      F#m
I wanna share my food with you if stolen my plate
Bm
Hey now, hey now, go your way now

F#m
            You tortured little girl
                                        Bm
Showing them what love is all ab-out
Bm
        Where did all the time go?
                        F#m
Everywhere it s gone, gone, gone
F#m

                    F#m
You get the point now
You pick yourself up off the bars
He s on his arm now
                                                        Bm
Cause they remind you off the pictures on the wall now
But she was young and I wasn t not even born yet
                        F#m
If you think I know a little more than
You have this person on the streets you incorrect
                                                Bm
Because I m ignorant as sh**, not hear to preach, man
You know I just wanna have fun, go to the beach, man
                                        F#m
Thats all I am, I m just a simple guy who talks when
You put a microphone in front of him

```
F#m
            You twisted little girl
                                                    Bm
Showing them what life is all ab-out
Bm
        Where did all the time go?
                            F#m
Everywhere it s gone

Solo:

F#m        Bm
|          |          |

                F#m
Running left in a relationship
Going in circles and I just can t wait
Running left so we can get in shape
Get in shape because we can t escape

Bm
Running left because I m already late
Really not, I m in the exact same place
Running laps in your relationship
Running away from the shadows themselves

        F#m
The worlds always amazed at how much cash you made
                                                    Bm
But not at how you made it, it s just strange
It sounded kind of cool over the phone

   F#m
It killed your neighbors and it dug and crushed their bones

F#m
            You tortured little girl
                                                Bm
Showing them what laughter s all about
Where did all the wine go?
                        F#m
Every night its gone(you)
(Gone)You got it all worked out
Funny little girl
                                                Bm
Showing them what pain is all about
Where did all the time go?
                        F#m
Every night its gone, gone, gone

F#m        Bm

F#m
```

You re the coolest girl in this whole town
                                          Bm
I just wanna parade you around...

loop   **F#m**   & **Bm** until end
