

**Seasons Trees**

**Danger Mouse**

# capo on 1st fret

**Am**

Every girl gets her dreams  
Cast into reality  
Never sing goodbye to me  
Only just recently

Cause you seem to believe  
That we ll never be free  
I was gonna be knee deep  
Can t we be like the season s trees?  
Changeably, just not so easily

On and on, we re the same  
Jumping through hoops of flames  
Sounds funny but a dangerous game  
Bitter picture, trapped in frame

Well, you seem to behave  
Like we ll always be slaves  
Never running away, yeah  
Can t we be like the season s trees?  
Changeably, just not too easily

Cause you seem to believe  
That we ll never be free  
I was gonna be knee deep  
Can t we be like the season s trees?  
Changeably, just not so easily
