Seasons Trees Danger Mouse

capo on 1st fret

Gm

Every girl gets her dreams Cast into reality Never sing goodbye to me Only just recently

Cause you seem to believe
That we ll never be free
I was gonna be knee deep
Can t we be like the season s trees?
Changeably, just not so easily

On and on, we re the same
Jumping through hoops of flames
Sounds funny but a dangerous game
Bitter picture, trapped in frame

Well, you seem to behave Like we ll always be slaves Never running away, yeah Can t we be like the season s trees? Changeably, just not too easily

Cause you seem to believe
That we ll never be free
I was gonna be knee deep
Can t we be like the season s trees?
Changeably, just not so easily
