

Seasons Trees
Danger Mouse

capo on 1st fret

G#m

Every girl gets her dreams
Cast into reality
Never sing goodbye to me
Only just recently

Cause you seem to believe
That we ll never be free
I was gonna be knee deep
Can t we be like the season s trees?
Changeably, just not so easily

On and on, we re the same
Jumping through hoops of flames
Sounds funny but a dangerous game
Bitter picture, trapped in frame

Well, you seem to behave
Like we ll always be slaves
Never running away, yeah
Can t we be like the season s trees?
Changeably, just not too easily

Cause you seem to believe
That we ll never be free
I was gonna be knee deep
Can t we be like the season s trees?
Changeably, just not so easily
