

Girlfriend

Daniel Bedingfield

E

Girlfriend, you make my

B2

head start spinning around

C#m

And all I can ever hear

is the sound

A

Of your heart beating

E

in my ears

C#m **A**

Girlfriend, this boy has found

E

another reason to sing

You re reminding

B2

me of everything

A

E

That I hold dear in my heart

Chorus:

A

And I m feeling elevated

Am **E**

Lifted to my highest dream

A

My whole world s revolving

Am

C

D(C up 2 frets)

in circles round your heart

A

You gotta be the one for

Am

me or else life

E

makes no sense

A

So wrap your arms

around me and

Am

C

D(C up 2 frets)

Kiss me till I m dead

E

Girlfriend, a girl like you

B2

would take an army to find

How glad I am that you said

C#m

you would be mine

A

Standing there in the cold,

E

dark night

C#m

A

Girlfriend, let me take you to

E

the fields of the sun

How much it means to me

B2

that you are the one

A

E

That I hold here in my arms
