

**Never Gonna Leave Your Side**  
**Daniel Bedingfield**

(G) (C)  
I feel like a song without the words  
(C) (G)  
A man without a soul  
(G) (C)  
A bird without its wings  
(C) (G)  
A heart without a home  
(G) (C)  
I feel like a knight without a sword  
(C) (G)  
The sky without the sun  
(G) (C)  
cos you are the one

(G) (C)  
I feel like a ship beneath the waves  
(C) (G)  
A child that lost its way  
(G) (C)  
A door without a key  
(C) (G)  
A face without a name  
(G) (C)  
I feel like a breath without the air  
(C) (G)  
And every day s the same  
(G) (C)  
since you ve gone away

BRIDGE:

(D#) (G)  
I gotta have a reason to wake up in the morning  
(D#) (G)  
You used to be the one that put a smile on my face  
(D#) (G)  
There are no words that could describe how I miss you  
(F) (C) (G)  
and I miss you everyday, yeah

Chorus:

(G) (D) (C) (G)  
and I m never gonna leave your side  
(G) (D) (C) (G)  
and I m never gonna leave your side again  
(G) (C)  
still holding on girl

(C) (G)

I won't let you go

(C)

cos when I'm lying in your arms

(D)

I know I'm home

(G) (C)

They tell me that a man can lose his mind

(C) (G)

Living in the pain

(G) (C)

The call in times gone by

(C) (G)

The crying in the rain

(G) (C)

You know I've wasted half the time

(C) (G)

And I'm on my knees again

(G) (C)

till you come to me, yeah

{BRIDGE then Chorus (Same Chords)}

(C) (G)

I lay my head against your heart

(C)

I know I'm home

(C)

I know I'm home

(C)

I know I'm home

{Chorus REPEAT}

(C) (G)

cos when I'm lying in your arms

(G) (D)

I know I'm home
