

Wake Up Call

Daniel Boaventura

Intro - **F#m Bm G#m**

F#m

I didn't hear what you were saying.

F#m

I live on raw emotion baby

Bm

I answer questions never maybe

F#m

And I'm not kind if you betray me.

F#m

So who the hell are you

Bm

To say we never would have made it babe

F#m

If you needed love

F#m

Well then ask for love

F#m

Could have given love

F#m

Now I'm taking love

Bm

And it's not my fault

Bm

Cuz you both deserve

Bm

What's coming now

Bm

So don't say a word

F#m

Wake up call

F#m

Caught you in the morning with another one in my bed

G#m

Don't you care about me anymore?

G#m

Don't you care about me? I don't think so.

F#m

Six foot tall

F#m

Came without a warning so I had to shoot him dead

G#m

He won't come around here anymore

G#m

Come around here? I don't think so.

F#m

Would have bled to make you happy

F#m

You didn't need to treat me that way

Bm

And now you beat me at my own game

F#m

And now I find you sleeping soundly

F#m

And your lover's screaming loudly

Bm

Hear a sound and hit the ground

F#m

If you needed love

F#m

Well then ask for love

F#m

Could have given love

F#m

Now I'm taking love

Bm

And it's not my fault

Bm

Coz you both deserve

Bm
