F#m7 **G#m7** **A5**
Through drought and famine, natural disasters
F#m6/G **F#m7**
My baby has__been around for me
G#m7 **A5**
Kingdoms have fallen, angels be calling
F#m6/G **F#m7**
None of that could ever make me__leave
G#m7 **A5** **F#m6/G**
Every time i look into your eyes i see it

F#m7 **A/B** **F#m6/G**
Ooh, who would ve thought i d get you

F#m7 **G#m7**
And when we re making love
A5 **F#m6/G** **F#m7**
Your cries they can be heard from far and wide
G#m7

It s only the two of us
A5 **F#m6/G** **F#m7**
Everything i need s between those__thighs
G#m7 **A5** **F#m6/G**
Every time i look into your eyes i see it

F#m7
You re all i need
G#m7 **A5** **F#m6/G**
Every time i get a bit inside i feel it

F#m7 **A/B** **F#m6/G**
Ooh, who would ve thought i d get you
F#m7 **A/B** **F#m6/G**
Ooh, who would ve thought i d get you

F#m7 **G#m7**
And i ll take some time
A5
Just to be thankful
F#m6/G **F#m7**
That i had days full of you, you

G#m7

Before it winds down into

A5 **F#m6/G**

The memories, it's all just memories

F#m7 **G#m7** **A5**

Don't you love when I come around

F#m6/G

Bill you up then I take you down

F#m7 **G#m7** **A5**

Don't you love when I come around

F#m6/G

Build you up then I take

F#m7 **A/B** **F#m6/G**

Ooh, who would've thought I'd get you

F#m7 **A/B** **F#m6/G**

Ooh, who would've thought I'd get you
