**Ebm7**  
And then we get again  
**C#m7**  
All waiting around and then  
**F#** **B7M**  
Circle back around to you  
**E7**  
Coming back around to you

I m coming back around and  
**Ebm7**  
Even on your worst day  
**C#m7**  
Love you in the worst way (Worst way)  
**F#** **B7M**  
Circling around for eternity  
**E7**

Going through the motions you're turning me, internally

**Ebm7**

Drifting on my own again

**C#m7**

Reaching out to hold your hand

**F#**

**B7M**

I want to be alone with you

**E7**

Can I be alone with you? (Can I be alone with you?)

Can I be alone with you?

**Ebm7**

**C#m7**

If you can take my hand

**F#**

**B7M**

I promise we'll find love again, love again, oh

**Ebm7**

**C#m7**

If you can take my hand

**F#**

**B7M**

**E7**

I promise we'll find love again

Ever
