COME SEE ME TONIGHT - DANIEL JOHNSTON

Theres already a tab of this song, but I think this ones closer:

Tuning: standard - EADGBE

B7

come to me tonight

B7

if you can hear me thinking

D **A**

come to me tonight

B7

I don t need to invite

B7

if you can catch the vibes

D **A**

come to me tonight

E **A** **B7**

yesterday is gone again

E **A** **B7**

I m thinking how it might have been

B7

it s getting really late

B7

and I m not feeling too great

D **A**

come to me tonight

B7

girl, come share my dream

B7

cos reality sucks

D **A**

come see me tonight

E **A** **B7**

I know you ve thought of it before

E **A** **B7**

I m waiting for the knock upon my door

B7

please don t make me beg

B7

if you can hear my thinking

D **A**

come see me tonight

B7

I m not pulling your leg

B7

can you hear me calling

D **A**

come to me tonight

E **A** **B7**

I m hopin for a girl like you

E **A** **B7**

none other would really do

B7

come to me tonight
