```

```

e|-13--12--10--8---6--6-6--6--5-3-----|
B|-----|
G|-----|
D|-----|
A|-----|
E|-----|

```

Verses:

**F**            **C**  
Just then she talks too loud

**F**            **A#**  
She says I m not allowed

**A#m**    **F**  
To do this or that

**A#**                    **C\***  
Nothing left to do

**F**            **C**  
Love never comes or goes

**F**            **A#**  
Feelings never really show

**A#m**            **F**  
What will become of us?  
**A#**                    **C\***  
No one really knows

**F**                    **C**  
She s back in a little while  
**F**                    **A#**  
Trying to make me smile  
**A#m**            **F**  
I m lost in the dark  
**A#**                    **C\***  
Walking lonely miles

**F**                    **C**  
Seems how the years go by  
**F**                    **A#**  
No need to wonder why  
**A#m**            **F**  
Never had a chance to think  
**A#**                    **C\***  
It s all over now..

**F**                    **C**  
Memories were wearing thin  
**F**                    **A#**  
I never wore a grin  
**A#m**            **F**  
I guess I just forgot  
**A#**                    **C\***  
All had gone to rot

**F**                    **C**  
Said she had wrecked my world  
**F**                    **A#**  
My favorite darling girl  
**A#m**            **F**  
Can t find me a friend  
**A#**                    **C\***  
Guess I lost again

Then play the intro again and finish with **F**.  
Hope you enjoy it :)
